LOCATE DISTRIBUTOR

Product Description

- AR-Podium enables the operator to install a steady and durable bi-pod platform without adding front-end weight and saving valuable rail space. AR-Podium is easily deployed with the main shooting hand, without having to alter the grip on the weapon, or lose sight of the target.

Product Advantages

- Provides steady and durable bipod platform Rapid deployment mechanism operates by the push of a button Saves valuable rail space for additional mounting options Quick and easy installation, no Gunsmith required Made of light and durable high-end reinforced polymer composite The model includes the AGR-43 pistol grip and the Podium bi-pod

Compatibility

- M-16 / AR-15 , 5.56x45 lower receiver variants, with a standard magazine well
