

ARP

LOCATE DISTRIBUTOR

Product Description

The ARP Assault Rubberized Butt-Pad is a maneuverability enhancing upgrade for GL-SHOCK, GL-MAG or GK-MAG Buttstocks.

Product Advantages

- Provides ideal shoulder positioning with or without body armor
Allow faster, more accurate target change in various CQB positions
Made of reinforced polymer composite with textured rubber overmold
Non-slip textured rubber allows fast and stable shoulder positioning

Compatibility

- GL-SHOCK, GL-MAG or GK-MAG Buttstocks.
