

FD - 203

LOCATE DISTRIBUTOR

Product Description

FD-203 is a professional stand-alone conversion kit which transforms the standard M203 into an independent weapon system.

Product Advantages

- Folding stock to minimize size
- Secondary lock on folded position
- Provides a standalone option for the M203

- Extremely light weight design
- Integrated quick detach sling swivel connectors on both sides
- Mill STD Picatinny rail positioned on top of the barrel allows the mounting of modern sights
- Rubber butt pad for recoil and slipping reduction
- Embedded adjustable cheek piece design
- Simple installation, no modification necessary
