

## KPOS G2 Glock 9mm

LOCATE DISTRIBUTOR

### Product Description

The KPOS G2 P.D.W. Conversion-Kit turns a standard handgun into a rock solid personal defense & special operations weapon system. It is used by sportsman and elite military / law enforcement units around the globe in order to maximize ability, versatility and performance while maintaining zero retention for accurate medium range use and minimal dimensions for covert operations and CQB.

### Product Advantages

- Solid Aluminum frame, made of 6061 T6 billet hard anodized Aluminum
- Built-in AR15 style charging/cocking mechanism for ambidextrous and comfortable use
- Folding slim-profile stock with a rubber butt-pad makes it

- comfortable yet easy to conceal
- Height adjustable stock for perfect use with various mounted sights
- Removable flash hider for silencer/suppressor assemblies with only one bolt
- Quick and easy installation, requires no tools or handgun modification
- May assemble in hands, free-standing, and does not require lying down on a table
- Full length 1913 MIL-STD Picatinny upper rail, side rails & lower rail
- All system parts are one with the frame – no risk of loss
- Smallest & lightest frame (folded or open) compared to any alternative
- Highly ventilated frame for appropriate heat dissipation for use with compensator models
- Provided with the F-GGK Trigger Guard Foregrip, enhances weapon safety by securing “loaded chamber” carry
  
- The Kit includes the following items:
  - 1x KPOS Stock (PDW)
  - 1x FGGK-S folding foregrip wit

## **Compatibility**

- Glock Gen 3 - 5 including 'C' (compensator) Models G17, G18, G19, G19X, G22, G23, G25, G31, G32, G37, G38, G45, without a backstrap grip add-on.
  
- G34 & G35 - Requires pre installation manual adjustment.
