### Product Description

The KPOS G2C / M4 Glock 17/19 Collapsible Conversion-kit from F.A.B. Defense is a special version of the KPOS G2 with a collapsible buttstock system. Sold with the GLR 16 buttstock AR15 / M4 / M16 style. The KPOS G2C / M4 Glock 17/19 Collapsible Conversion-kit turns a standard pistol into a personal defense weapon system for PCC competitions or for personal defense. Used by both sport shooters and military / law enforcement elite units around the world in order to maximize ability, versatility and performance while maintaining zero retention for accurate medium range use and minimal outer dimensions for covert operations and CQB.
