

MPS-12

[LOCATE DISTRIBUTOR](#)

Product Description

MPS-12 allows modifying the original 8 round magazine of the M&P Shield into a full capacity 12 round single magazine, all without having to replace the original magazine spring.

Product Advantages

- Additional 4 rounds for a total of 12 rounds in the magazine
Innovative spring plate design, requires no changes made to the original magazine
Contoured finger indents for a firm grip during magazine manipulation
Easy installation, no Gunsmith required
Fiberglass reinforced polymer construction

Compatibility

- 8 Round, S&W M&P®9 SHIELD™ - original factory extend capacity magazine only
