Product Description

Introducing a new set of accessories to our line of Scopus™ holsters, The RPR line of products allows operators to attach a 360-degree rotating Picatinny rail to a duty belt or MOLLE load-bearing equipment. This feature enables the attachment of lights, ammo pouches, or any accessories compatible with the 1913 MIL-STD Picatinny rail.

RPR PADDLE: Hook onto your belt, adjusts on the go without tools.
RPR MOLLE: Easily attaches to MOLLE webbing. RPR BELT: Mount accessories to a belt loop with adjustable widths. RPR SLIM: Compact alternative to PADDLE/BELT systems, lower-profile and quick belt attachment.

Product Advantages

- Compatible with 1913 MIL-STD Picatinny rail for attaching lights, ammo pouches, and other accessories.
- The rail is mounted on a swivel, allowing for a full 360-degree range of motion, with tool-free adjustment.
- Made from durable fiberglass-reinforced polymer composite.
- Available in matte black, olive drab green, or flat dark earth.

Paddle supports a variety of belts up to 58 mm (2.25 inches) wide.

- Belt loop is easily adjustable, supporting belts ranging from 33-58 mm (1.3-2.25 inches) wide.
- MOLLE features four attachment points, each securing the webbing from both sides, ensuring a very secure fit; compatible with MOLLE/PALS
- RPR Slim Belt supports belts up to 1.75 inches.

Compatibility

- Any accessory designed to mount on a 1913 MIL-STD picatinny rail.

- RPR MOLLE is compatible with any MOLLE or PALS webbing system.
