Product Description

- The ULTIMAG G2 is the latest generation of our Ultimags AR magazine.
- After a year of development, taking into account and feedback from the field and the needs of the modern AR user, the ULTIMAG G2 was launched in 2023 and quickly put into use.
- Military and police users have tested the ULTIMAG G2 and found that it provides maximum performance for AR users under extreme and challenging conditions.
- The ULTIMAG G2 is available in two versions: one for 5.56/.223 and the other for .300 BLK

Product Advantages

- New reinforced & robust design
- Multi-textured surface for enhanced grip when handling and reloading
- High visibility follower for last round identification
- Long-lasting cathodization-coated spring for ideal corrosion protection
- Long-lasting spring design for extended duration in loaded storage
- Low-friction follower for increased reliability
- Identification area for easily marking your magazines
- 30 Round magazine
- Available in Black, Olive Drab Green, or Flat Dark Earth

Compatibility

- 5.56x45 NATO (.223 Remington) M16/M4/AR15
